

Choose one to three goals

Choose outcomes you can describe and check. Use only the goal pages you need.

Example: reduce late customer follow-ups from about 6 per week to 1 or fewer by the end of the next quarter. A useful goal includes a starting point, an outcome, a date, and a simple way to check progress.

NINZ Business Goals & Action Planner

Choose up to three goals. Complete one detail page per active goal, transfer due dates to the Business Calendar, and repeat the monthly review page. Skip unused goal pages.

Using the digital edition

Download first and open in a PDF reader that supports AcroForm fields. Save a copy after entering your information. Test one field and reopen the saved file before completing the tool. Long text may scroll within a field, so keep notes concise and check print preview. Repeat only the pages you need for each new period.

Educational use

General business education only. Adapt this tool to your business and verify important information before acting.
